Creative Europe MEDIA

Get Trained! Creative Europe MEDIA

Improving the skills of talented European professionals is a core objective of the Creative Europe MEDIA programme of the European Union. The following training courses are all funded by MEDIA, and they take place all over Europe and beyond.

All deadlines and additional information can be found here:
creative-europe-media.eu

The MEDIA programme is the funding for the audiovisual sector in Europe under the umbrella of the Creative Europe Programme of the European Union. MEDIA has a budget of 1.4 billion Euros until the end of 2027, with a special focus on transnational cooperation in the European audiovisual sector.

MEDIA strengthens cooperations between the audiovisual industry on a global level and increases the outreach of European films and projects, constantly aiming to reach new audiences.

MEDIA supports producers, game developers, distributors, sales agents, festivals, markets, trainings, VOD services, cinemas and more.
